

Monday 16th May 2022

Dear Parents/Caregivers

Your child has been successful in securing a place in the CSKI 2022 Korfbal Squad. We train weekly on a Monday morning at 7:45am with a qualified coach from Korfbal Canterbury.

Upon sign up, it was indicated that each student would be charged between \$15 and \$30. This charge goes towards weekly gear hire and the ongoing support of our qualified Korfbal Canterbury coach - Youri Borricks. We can now confirm, the charge will be \$25 per student this year.

We have been inundated with students who were keen to give Korfbal a go and have decided to select a squad of 50 students in order to cater to the popular demand and increase participation. With 50 students, we are now in a privileged position to take up to 4 teams to each team's tournament but unfortunately, this also means the cost associated with entering tournaments has increased. Our school is in a position where we are able to subsidise entries into each tournament but we are asking for whānau support to ensure all students in the squad get maximum participation opportunities. This would include paying an extra \$5 per tournament entered (\$15 for all 3 upcoming tournaments). There is no requirement for your child to participate in each tournament and we will be seeking permission each term to clarify team numbers. We understand this may be an inconvenience however we felt it was important to enable as much participation for students as possible and also communicate with our whānau and community.

Thank you for your ongoing support, we are looking forward to our first tournament towards the end of this term. If you have any queries or concerns, please contact Inga or Jimaya.
