Dear Parents/ Caregivers

The NZCT AIMS National Sporting Championships are held in Tauranga annually. This is an exciting opportunity for Intermediate aged students to compete as an individual or team against the best of their age in many different sports.

Unfortunately, as a school, we are unable to enter our students in team events due to a variety of factors including funding, staffing and the close timing with our Broadgreen exchange.

With that being said, we are more than happy to enter students in individual sporting events, provided that the student and his/her family can provide the funding and support that is required. This would include the cost of registration, travel, accommodation and other associated costs. In order for us to enter students in their chosen sporting event, we need a commitment from each family that these costs will be covered.

Please be aware that any fundraising will not be initiated by the school but would have our full support.

If you would like to enter your child in an individual event, could you please let the school know by **Friday 31<sup>st</sup> May**. We apologise for the late notice and tight timeframe around this opportunity.

For further information, please refer to the NZCT AIMS website: <https://www.nzaimsgames.co.nz/> or make contact with me via [c.angus@chchsouth.ac.nz](mailto:c.angus@chchsouth.ac.nz)

Yours sincerely,

Cam Angus  
Sports Co-ordinator
