Dear Parents/Caregivers

### **Korfball 2021**

Your child has been successful in securing a place in the CSKI 2021 Korfball Squad. We train weekly on a Thursday morning at 7:45am with a qualified coach from Korfball Canterbury.

Upon sign up, it was indicated that each student would be charged \$20. This charge goes towards weekly gear hire and the ongoing support of our qualified Korfball Canterbury coach - Yuri Borricks.

We have been inundated with students who were keen to give Korfball a go and have decided to increase the squad size from 36 students to 48 in order to cater to the popular demand and increase participation. With 48 students, we are now in a privileged position to take up to 4 teams to each team's tournament but unfortunately this also means the cost associated with entering tournaments has increased. Our school is in a position where we are able to subsidise entries into each tournament but we are asking for whānau support to ensure all students in the squad get maximum participation opportunities. This would include paying an extra \$5 per tournament entered (\$20 for all 4 tournaments) There is no requirement for your child to participate in each tournament and we will be seeking permission each term to clarify team numbers. We understand this may be an inconvenience however we felt it was important to enable as much participation for students as possible and also communicate with our whānau and community.

Thank you for your ongoing support, we are looking forward to our first tournament on Monday 12th April. If you have any queries or concerns, please contact Cam or Jimaya.
