School Swimming Sports

Your child has entered the Christchurch South Intermediate School Swimming Sports. The swimming sports will take place on Monday 16th March at Wharenui Sports Centre, Riccarton.

The children will be travelling to and from Wharenui Pool by bus. All students will return to Christchurch South by 2.45pm.

You are very welcome to attend this event and support your child. The approximate times of events are indicated below. Please note that these are approximate start times only so events may happen before or after the time indicated.

All heats are timed and children who make finals will be notified shortly after each event. These finals will be raced immediately after the heats.

Commitment

It is great that your child has entered into this event and we have advised all students that they have committed themselves to attending. **If for any reason, you don't wish your child to participate or they will be absent from school on the day, then please write a note to Ms Johns in H2 or email her (g.johns@chchsouth.ac.nz) by Thursday 12th March so that their entry can be removed.**

Equipment Required

Children need to bring named school PE gear, swimming togs, towel, goggles (if required) and any medication they may need. It is recommended that they take a drink (in a labelled bottle) and a plastic bag. School uniform is to be worn to school and all jewellery and valuables are to be left at home. Devices can be left with the classroom teacher at school.

Competitors are welcome to get changed before they leave for the pool or use the changing facilities at the pool once they arrive. When the children leave the pool to come back to school, they are expected to be in school P.E. gear or school uniform.

If you have any questions or require further clarification, please contact Gae Johns who is the co-ordinator for the swimming sports at g.johns@chchsouth.ac.nz.
