

21 May 2019

Dear Parent/Caregiver

Friday 31 May - Teacher Only Day Professional Development

A reminder that the school will be closed for instruction on Friday, 31 May as we host the Kahukura Community of Practice Conference. We are excited to have Derek Wenmoth work with our teachers.

This day, for all teachers from schools in the Kahukura Community of Practice, is part of our planned professional development and learning. This has been factored into the school's start and finish dates for the year to ensure that the school is open for the required number of days.

Yours sincerely

Ross Hastings
Principal
