Dear Caregiver,

Thursday
Film Crew 2019
Term 1 & 2

Your child has expressed an interest in joining our school Film Crew. This is a selected group of students that film events and participate in other filmmaking activities around the school.

Film Crew is starting on the 7th March. The group meets on every Thursday, after school during the first and second term. The meetings are in the Multimedia room starting at 3:10 and ends at 4:15.

At times the students will have time out of their classroom programme and during lunchtime to complete projects. This may include time outside school hours but you will receive notification regarding dates and times, if this is required.

My name is Emma Small. I am the Multimedia Support and the staff member in charge of this group. If you have any questions please contact me at e.small@chchsouth.ac.nz

Yours truly,
Emma Small
