Dear Parents and Caregivers

Kia ora tatou

A school the size of Christchurch South Intermediate inevitably has a few changes to staffing from one year to the next. The school's Board and management team have recently been working through staff appointment processes for 2018.

At the end of this year we will farewell the following staff:

Nicole Lloyd - Nicole has been a home room teacher at South and has won a teaching position in the PE department at St Margaret's College starting Term 1 2018.

Nikki Wallace-Bell - Nikki has been our Art teacher. She is looking forward to furthering her own interests in art and has plans to use her skills with the arts to develop opportunities to support adults and young people struggling with mindfulness.

In addition to Nicole and Nikki moving on, Chloe Riches has been successful in applying for full time paid study leave for 2018 to complete her Masters in Education endorsed by the Hoaka Pounamu course through UC. We look forward to her return in 2019.

We are pleased to announce the appointments of the following staff:

Will Fleming – Will has been relieving in Christchurch schools including Christchurch South this year after moving to New Zealand from the US.

Cameron Angus – Cameron is moving from Dunedin to join our team of home room teachers.

Abbie Meakin – Is an outstanding artist in her own right and is looking forward to joining our specialist team of teachers as our Art teacher.

This morning we had an Orientation Day for the Year 6 students who are coming to South next year. It is an exciting time for them as they consider the move to a new school. The opportunity to spend a morning meeting many of the teachers and getting to know their way around the school is a significant part of our transition support for them. We look forward to working with them next year as they discover what it means to embrace challenge, celebrate diversity, develop a passion for learning and build independence as part of the learning community at Christchurch South.

Ngā mihi nui

Ross Hastings

Principal

Congratulations

To **Ngairi North** who recently achieved a high merit in her Grade 1 ABRSM violin exam. Ngairi has been learning the violin for just 18 months and is looking forward to continuing to learn at Ao Tawhiti Unlimited Discovery school next year."

To **Marcus Blair** who completed at the recent South Island Secondary Schools Mountain Bike Champs. Marcus had a great time in trying conditions after heavy showers and a thunderstorm on Saturday changed the courses into very muddy, slippery and challenging races. Marcus achieved his goal of winning the overall U14 South Island title for 2017 by placing in all 3 disciplines: 1st in Downhill, 1st in Super D and 2nd in Cross Country. Well done Marcus.

To **Luka Fields, Konna Lee-Taylor** and **Nathan Yates** who over the holidays competed in the South Island 12th Grade Football Tournament in Blenheim. These boys had to trial to be selected to represent Canterbury and commit to train hard. They were picked to play for Canterbury Black. They came 1st place in the tournament. They are the 12th Grade South Island Champions for 2017.

Noah Smith played for Canterbury Red who came 3rd. Well done Luka, Konna, Nathan and Noah.

To **Emily Cropp** who over Labour Weekend attended the Top of the South Championships in Taekwondo. Emily was awarded x1 bronze, x1 silver and x2 gold medals for her Poomsae (patterns) and Kyorugi (competition fighting events). She was also awarded "The Best Belt Fighter" which was a special surprise. Emily also competed in the South Island Championship in Invercargill over Queen's Birthday weekend securing x2 bronze and x1 silver medals. Well done Emily.

To **Ryoga Wisjnuery** who was played 3rd overall at the NZ Junior Kendo Championships. Well done Ryoga.

To **Kwahli Beauchamp** who recently competed at the South Island Novice Boxing competition. Kwahli was placed 1st for his age and weight division. Well done Kwahli.

Absence

If your child is unwell, unable to attend school or is going to be late **it is essential** caregivers phone and advise the office by **pressing 1** on our telephone voicemail before 8.40am. When leaving a message please ensure that you give the office your child's name, room number and the reason for the absence. Alternatively you can email the office on absent@chchsouth.ac.nz or enter the absent via the school app.

It is a Ministry of Education requirement that if a child is going to be absence from school for whatever reason a parent or caregiver must make contact with the school explaining the reason for the absence. We ask that if you email your child's classroom teacher with regard to an absence that you also inform the office.

Lateness

If your child is late to school for any reason, they are required to come to the office to sign in and receive a late pass **before** they make their way to their classroom. We thank you for your assistance in helping us to keep your children healthy and safe.

Leaving school during school hours

If your child needs to leave school for any reason during school hours, would you please provide a note for the classroom teacher, which is also shown to the office staff before the student leaves school. Their name, class and time of leaving will be recorded when they sign out. If your child is returning to school they must come back through the office to sign back in.

Leaving School due to Illness

If your child is unwell during school hours the procedure is for them to come to the school office and be admitted into the sick bay area. The school office will then ring the parent/caregiver if they are required to go home. **Please discourage your child from texting asking to be picked up because they are feeling unwell.**

Wet Day Procedure

If the weather is cold, wet or inclement and restricts student activity the school will shorten the lunch hour by 15 minutes. School will finish at 2.45pm on such a day. To confirm that the day has been shortened telephone the school on 3322408 then press 2 as the office will leave a message on the voicemail under "school notices, early finishes and cancellations".

Cellphones

Below is our school's current policy on cellphones. Any home-school contact (phone call or text) is to be through the school office.

Thank you for your co-operation.

Procedure 5.06

1. Cell phones
 - a. Should a student bring a cell phone to school it is not to be used during the school day unless under direct supervision of a teacher when the device is used to assist learning. The basic rule is "Invisible, inaudible or in the office."
 - b. Cell phones brought to school can be handed in to the school office for safe keeping and collected at the end of the day.
 - c. Emergency messages for students are dealt with through the school office.

Naming of School Clothing

Please ensure that **all** school clothing is clearly named this should also include school hats.

Concerns

If you have any concerns about your child's welfare or any situation which is impacting on your child that you feel needs addressing please do not hesitate to contact Polly Hutchinson, Associate Principal at any time.

Bikes, Scooters and Skateboards

We encourage students to build their independence by cycling, skating or scooting to school. Cycles are locked in the cycle compound and scooters and skateboards have a lock up behind Rutherford Pod. It's important that the cycle, skateboard or scooter is locked independently as the compounds are unlocked from 2:55pm to 8:50am the following morning. Any item left overnight is at risk of being stolen. Please discuss this with your child, if they have e.g. Theatre Sports after school and their padlock isn't working, encourage them to take their wheels with them, it's not safe leaving them in an unlocked compound.

School Canteen

The school canteen is located at the end of the hall opposite the library. Canteen orders can be placed online using our Kindo Online School Shop. To register follow the school website under – General Information tab, then South Online Shop. We would prefer this method of ordering your lunch. Our online shop is open 24/7, canteen orders cut off is 8.40am each morning. Snacks are available at morning and lunch breaks. Please remember juices are only available at lunch break. Please be patient when coming to purchase items, remember a smile, a please and thank you make our day a happy one.

Allergies

With the warmer weather classes are starting to do more outdoor activities. For those students prone to allergies from grass and pollen it might be timely for them to remember to bring any medication required.

We are happy to hold any named medication in the office however we do not stock antihistamine or Ventolin.

Kindo Online School Shop

We are excited to let you know about our online school shop. Our online shop will be open 24/7 – and will be our preferred method of ordering. Canteen orders are just the start... we'll be adding more items to our school shop so you'll be able to pay for school trips and other costs as well. To register follow the link from our school website under: General Information - South Online Shop

Write On

Congratulations to Jasper Murray, Sophie George, Madeleine Devos, Emily Rushton, Mia Sharr and Hayley Gibson who have articles published in the recent Write On magazine. All of these talented students attended the School for Young Writers workshop. Here are a few samples of their work.

First Snorkel – Hayley Gibson

My flippers
suck the salted water
into my feet.
Watery tendrils climb
my legs as I descent to the reef
catching a glimpse
through translucent blue
of my uncle, hovering.

The glossy liquid
touches my hips,
my feet lift from
grainy sand and make
their way towards him.

Ten metre to go

a dry taste
in my mouth
getting harder
to handle

Eyes sting
arms and legs flail
as if electrocuted.

I feel the touch
of his comforting hand

How Peculiar! – Mia Sharr

The cats were yelping
as they slid off the roof
The dogs were howling
as they hit the windowsill
How weird!

The cats were denting the ceiling
The dogs were smashing the chimneys
How strange!

The cats slammed to the ground
The dogs slid to the dirt.

Oh dear, oh dear! Its'a raining
cats and dogs!

Chasing the Cliché – Jasper Murray

They come for me.
The hounds,
as dumb as dingbats,
come for me.

No one ever asks
what it's like to be,
made of money.

Countless times
I have been stolen.
Time and time again
I have run for the mountains,
old as the hill.

Some people think
it would be good as gold
but I am just
currency.

Still they come.
Last time there were butterflies
stowed away in my spaghetti,
fluttering around in my stomach,
and most likely
still there.

Since it rained
cats and dogs
the hounds have chased me.
They are still coming.
They are here now. The hounds
tear me to pieces,
Frighten me to death.

I am just currency.

Athletics Sports – 2017

On November 1st and 2nd, Christchurch South held their annual Athletics Sports. This year we had only one Standards day with Hillary and Ngata competing in the morning followed by Sheppard and Rutherford in the afternoon. This was highly successful and is something that we will continue to do. On Championship day we had a number of outstanding results. In the girls, Gracie Pratten achieved five 1st out of six events. Not to be out done, her sister, Esther Pratten, went one better and placed 1st in all six events. Since I have been at the school this is the first time there has been a clean sweep. In the boys, Louis Hamilton achieved three 1st and Hunter Ryan-Biddick achieved one 1st and four 2nd. Thanks to the weather, the hard working staff and all the parents who turned up and supported the children it was a fantastic two days. A team will be heading down to Ashburton later this month to represent us in the inter-school event. I am sure they will do well.

Congratulations to all who achieved placings –

Christchurch Schools' Music Festival 2017

Congratulations to Christchurch South students Jack MacDonald, Archie MacDonald, Yuki Saito and Essy Spark for representing CSIS at this year's Christchurch School's Music Festival after being selected for the Senior Special Choir. These dedicated singers are involved in the festival even though CSIS is not taking part in the massed choir event this year (CSIS takes part bi-annually).

The Special Choir sings most of the harmonies for the festival concerts at the Horncastle Arena as well as a bracket of three challenging songs themselves in several parts.

They performed last week – with an all-day practice Tuesday and three nights on stage.

Making it through the daunting audition process and winning a place in the Senior Choir was a big achievement as hundreds of Year 7 and 8's from all over Canterbury and Westland try out. But it doesn't stop there – these students have rehearsed for two hours on Saturday afternoons since August (often coming straight off the sports field!) and given up three days of the last school

holidays to workshop their group items.

It's not all hard work though – they have been able to meet other singers and musicians from all over our province and be part of an amazing event which has been going in Canterbury for 78 years.

Special extra mention must go to Jack and Archie MacDonald and Yuki Saito who were awarded medals for being selected for the special choir for the maximum four years running.

That's a lot of singing, remembering words, hours of practice and late nights! Well done to Archie too, for being selected as one of the comperes this year which meant speaking in front of hundreds at the Horncastle Arena. Another mention must go to Kate Suckling whose winning poster design made it to the front of the Festival programme and posters. You have all done yourselves and South proud!

Inaugural Kahukura Cluster Speech Competition

Huge congratulations to Madeleine for her second placing in the Year 7 & 8 section of the inaugural Kahukura Cluster Speech Competition. The premise of her speech was that, given the significant amount of natural resources needed to farm traditional Western animals, let alone the greenhouse gasses that cows produce, we would be far better off farming insects as part of our regular diet. Just like she did during the school speech competition, Madeleine had the audience both laughing and squirming at the thought of how many bugs they had already eaten in foods such as chocolate and peanut butter, let alone the idea of crunching on crickets at their next evening meal. A very well delivered speech and a result to be proud of.

South Island Indoor Tournament - 1st, 3rd Placings!

During week 2 of Term 4, 5 of South's sports teams participated in the South Island Year 7 & 8 Indoor Tournament.

Our Boys and Girls Basketball teams participated in a strong field, with the boys winning all of their games on the first day, qualifying into the top 6. They faced some tough competition, so unfortunately only managed to gain 4th place.

The girls showed tremendous grit and improvement, to gain a place in the 3/4th play-off, which they took out against Ashburton Intermediate 24-8, after drawing with them the previous day.

Our Squash team, who participated during the Tuesday weekly sport and gained 4th place during this competition, managed to go one better and gain 3rd place after some close battles.

The Volleyball team, which only came together 4 days before this tournament, gelled quickly and after some extremely strong performances on the first day, qualified again for a 3/4th playoff! This team finished strong, to take out the game and gain the bronze.

During the Tuesday Winter sport competition, our Table Tennis teams performed extremely well, however only consisted of Boys. For this tournament we needed a mixture of boys and girls in these teams, so called in some keen athletes, to make up these numbers. Both our A and B teams played extremely well, with the B team finishing 1st and the A team 3rd. A huge well done to all of these players, especially the girls who stepped up to the mark very quickly!

Broadgreen Exchange 2017 - Highlights from the Trip

What a great start to our biannual trip to Nelson: a smooth journey filled with sunny stops and lots of friendly smiles upon arrival at Broadgreen and meeting our billets.

Unfortunately, sunny Nelson did not live up to its name, and it began to rain as we gathered on the Monday for the mihi whakatau. Here are some of our highlights from the first day in Nelson...

- Hanging out with my billet; laughing into the wee hours and having heaps of fun with my billet's family and pets
- Friendly billets; being given tours of the city, school and beach
- Great modules: team building, the climbing wall, Theatresports, creating catapults
- Embracing the challenge of roller skating (after our Rabbit Island trip was rained off)
- Yummy shared kai
- Having a great sleep at my billet's house after a long day of travel

We can't wait to share our Showcase tomorrow morning and then get stuck into some sport!

On Tuesday, sunny Nelson finally lived up to its name at 2.50pm in the afternoon, another day of rain. However, the weather didn't stop us from having another awesome day at Broadgreen.

The day kicked off with the final performance of Showcase: The Amazing Race, which was a hit with Broadgreen students and staff. The highlights were the singing, the MC (Diego), Korean Dance and the Boys' Hip Hop Crew. Well done to all of the performers and backstage crew, who did an incredible job of putting on a show in a new and unfamiliar environment.

Next up was year 7 competitive netball. The game was won by South, bringing us one step closer towards winning the Sports Challenge Trophy. South also won the year 8 competitive netball. In rippa rugby, both schools put up tough teams and we were keen to secure the wins. The competitive boy's teams won 6-4 with a stellar try by Harry Read on the final hooter. Unfortunately the competitive girls didn't come away with a win but played with plenty of heart and courage. Our competitive mixed team followed up with a great win - some amazing ball handling and footwork, even though they were barefoot in the mud and rain. Everyone came away with big grins after slipping and sliding around. Our hockey team faced tough competition with 9 rep players in the Broadgreen team. At halftime, the teams were reorganised and we had fun playing a more evenly matched game. The afternoon was topped off with two convincing wins by the girls' and boys' basketball teams. The atmosphere was buzzing, with a large crowd watching in the hall, due to the volleyball being rained off. With two of the three challenge games complete, and both of them South wins, we will be bringing the Sports Challenge Trophy home - well done South! What a jam packed, fun-filled day. No doubt we will all sleep very well tonight.

On Wednesday we woke up to beautiful Nelson weather. Not a cloud to be seen. At first, Broadgreen presented their Showcase 'Inside Out' to us. It was entertaining and full of technical dance numbers that enthralled our students. After interval we competed in the final sporting fixtures: social basketball, football and rugby. After two losses in the basketball the girls football team had an impressive 4-1 win and the boys lost a closely fought game 3-1. The final fixture was the rugby. Before kick-off an impressive Haka was performed by the majority of the South students. The game was entertaining to watch with Broadgreen outscoring us 8 tries to 4. In the afternoon we all went to the local pool where the kids could relax and have a bit of down time. The day finished with a very entertaining disco where the majority of the kids dressed up in fluro. I think there will be some very tired kids hoping for a relaxing trip home tomorrow.

On Thursday we all met at Broadgreen ready to listen to the debate. Both teams spoke well with Broadgreen just edging out South. After the farewells we jumped on the bus and headed back to Christchurch, arriving just after 5pm. It was a fantastic trip and there will be a lot of great memories for all that experienced it.
