

3rd November 2021

Dear Parents/Caregivers,

Hope you are well. Just a reminder the Theatre Sports competition is this Saturday and we are very excited for your child to compete.

We have just received a message from Riley Harter from Court Theatre Education who has some guidelines and expectations on the day for both competitors and the audience. Please make sure you and your child have a read of these before Saturday.

Due to a very limited capacity, Court Theatre will not be able to do door sales. Unfortunately, the day that CSKI competes is sold out and can have no more audience members. They need to follow the regulations to minimize risk and keep everyone safe.

On the day, we will be meeting on the Orb Lawn (Merivale Lane, outside the Performing Arts Building with a giant orb statue). There will be 2 CSKI Staff members there and we will meet there for the roll and then go in when we are called.

Anyone who purchased a ticket, before entering the building you need to sign in with Covid Tracer App and sanitize your hands. Masks must be worn indoors (the exception being the teams while they are performing).

If you or your child is unwell then you need to please stay home. Email me ASAP at h.barr@chchsouth.ac.nz or k.walters@chchsouth.ac.nz if your child is unwell and unable to perform in the competition.

If there are any questions, please contact me. We are looking forward to seeing everyone there pumped and ready to go for an awesome competition day.

Ngā mihi,
Hayden Barr
