

Celebration of Dance Learning

Monday 12th August 2019

Dear Parents/Caregivers

This term in Physical Education we have been learning a variety of dances and these lessons culminate in an evening for parents and caregivers.

These dance evenings will be held during Week 5/6. Each syndicate has a night to impress you and we expect that most students are able to attend. A note to the homeroom teacher or the syndicate physical education teacher is expected if a student has a genuine reason for not attending. Students are to be accompanied by an adult. Evenings are as follows:

Hillary	– Thursday 22nd August
Sheppard	– Monday 26th August
Ngata	– Tuesday 27th August
Rutherford	– Wednesday 28th August

Dance evenings begin at 7.00 pm and lasts for approximately an hour.

We look forward to seeing you all at our evenings. They are a lot of fun and we hope your child has been teaching you some of the dances so that you can join in.

Yours sincerely

Classroom Teachers
