Dear Parents and Caregivers,

Ski Day at Porters Ski Area Friday, 27th August 2021

The School is offering a Ski Day this term at Porters Ski Area for up to 90 students. This trip is designed for beginners (students with little or no experience in snow activities) and students who haven't been on a school ski trip before.

The cost of the trip will be between approximately \$75.00-\$100 per child, regardless of whether they have their own equipment. For this cost, they will receive transport to and from school to Porters, skis or a snowboard, poles, boots, a helmet and a one and a half hour lesson with a professional instructor and a lift pass. As this is an optional school activity the full payment will be due by Friday, 6th August 2021 once you have received confirmation of a place.

Priorities and an offer for a place on this ski trip will depend on students meeting the following criteria:

- 1 Little or no experience in snow activities.
- 2 Attitude in and out of the classroom.
- 3 School payment contributions have been paid in full or an automatic payment agreement to pay charges has been established through the school office (this does not include the suggested donation).

If we have more applicants than places available Year 8 students will be given priority. Spaces are limited so this form needs to be completed promptly.

Class teachers will be consulted in the selection process.

Parent helpers will also be required. Please indicate on the google form if you are available to help out and would like to be considered.

Please note, as Porter Ski Area Ski Instructors recommend that beginner snowboarders learn to ski first, we will only take a limited number of beginner snowboarders.

Please click on this link to fill in the expression of interest google form
